RE: Memo #5

I am excited to be working on this project for you. This is a good experience for me to conduct market research on pricing for you. Here is a quick summary of my project so far:

Accomplished the week of May 21-27:

1. Collected pricing data from Wander Brewing.
2. Updated the spreadsheet with new information.
3. Met with you to discuss changes and additions to the spreadsheet.

Plan for next week (May 28-June 3)

1. Collect pricing data from Gruff Brewing Co.
2. Collect pricing data from Menace Brewing.
3. Collect pricing data from Twin Sisters Brewing.
4. Update spreadsheet and prepare for project submission to you.

Thank you for the opportunity to work with you. Please let me know if there are any updates or changes I need to make to my plan.
