RE: Memo #3

I am excited to be working on this project for you. This is a good experience for me to conduct market research on pricing for you. Here is a quick summary of my project so far:

Accomplished the week of May 7-13:

1. Met with Boundary Bay Brewery.
2. Visited E-station for pricing.
3. Updated the spreadsheet with new information.

Plan for next week (May 14-20)

1. Visit Wander Brewing.
2. Visit Kulshan Brewery and present food truck.
3. Ensure all information is up-to-date on spreadsheet.

Thank you for the opportunity to work with you. Please let me know if there are any updates or changes I need to make to my plan.
